Eurther Incidents of the First Settlements in Fairfield Tp.-First Mill Erected by Thin was when slavery was considered Phineas Hunt, on Hardin's Creek-Second a divine institution-but that has oplayed

Phiness Haul, on Hardin's Creek—Second by Jucob Beals—Child Lost—First Burnish of a divine institution—but that has "played out,"

Time was when the Democracy found a pleasant recreation in berreling up Abolitions to the first Merriages in the Thumship—Township Officers—Elected in 1806—Boundaries of Furgetie in that Fear, &c. &c.

We are indebted to our friend, Mr. J. R.
Laid, for the subjoined additional incidents connected with the first sottlement of Pairfield Tp.

The first mill was orested in this part of the county in 1804, by Phiness Hunt, an emigrant from North Carolina, who switted on Hardin's Creek in 1803. The neighbors all came out to assist Mr. Hunt in the swelled and foundation, who switted a services of Alex. Crofford, at the Falls of Paint, were secured. This mill was built a little above, and near the present site of Huff's old fulling mill, on Hardin's Creek, in which was hown for a mill will, and for a mill wis built a little above, and near the present site of Huff's old fulling mill, on Hardin's Creek, it was known for and wide; and did an extensive business for the times. Not a vestige of it now remains, to mark the fill above, that have reared themselves on the old foundation, Previous to this, and during the fill of the processors, the estimated that was a flag of the surface, that have reared themselves on the old foundation, Previous to this, and during the fill of the previous the fill of the previous of the decision as follows:

Time was when a Southern Democrate process of the surface of the surface of the school five dollars that has epigade out."

Time was when his period on the relation of the country in 1804, by Phiness Hunt, and for a mill-wright, the services of Alex. Crofford, at the Falls of Paint, were secured. This mill was built a little above, and near the present site of the services of the school five dollars for white the processor of the country of the flower of the flow

In 1804 a child was lost in the woods, on or any tidings of it. The supposition was that it had been stolen by the Indians,-For a number of years afterwards, its memory was cherished by a beautiful poem which was sung around many a log

cabin fire-place,

The first burial at the Fairfield burial ground occurred in this year, (1894) and was that of a woman by the name of Balturd. The second was also a woman by the name of Britton. The ground now ocwith a thick growth of spice wood and was dug, the body deposited and the grave filled up. When this was done, her father said, "The young men will please gather s attached to the taking of a county news-aper. This neglect and indifference had in practical reward the other day.

up those old logs, and make a pen around the grave." This was quickly done. Wm. made; and it was shortly afterwards erectthey then came to town to inquire about of Friends, out of round poles or saplings the fiber blanks, and informed them that they had forever lost their money; and such as they had forever lost their money; and such as the fiber blanks, and informed them that they had forever lost their money; and such as the fiber blanks, and informed them that they had forever lost their money; and such as the fiber was said in the fibor, which three presume charged them five deliars for the property of the fiber being a lovel with the floor. On this foundation a lovel with the floor, on this foundation a lovel with the floor. On this foundation a lovel with the floor, of view models of view models.

"Dr. C. Sulton, of flucture, very local service, the floor was the terms specified in the reconstruction bill. The purpose is to secure a condition of five foundation of friends, out of reund poles or saplings the terms specified in the reconstruction bill. The purpose is to secure a condition of five foundation of friends, out of reund poles or saplings the terms specified in the reconstruction bill. The purpose is to secure a condition of five foundation of friends, out of reund poles or saplings the terms specified in the reconstruction bill. The purpose is to secure a condition of five foundation of five was filled up with large boards. The fire candidate for State Treasurer, is owner of the drug or in which three conditions in Congress next. Define the fire foundation of five foundation nformation. All this resulted from being a lovel with the floor. On this foundation of penurious or too careless to subscribe a circular ring was made of slay mortar, by a country paper.
